Youth Engagement Fund Application

Youth Engagement Fund

The purpose of the *Canada Volunteerism Initiative BC Network Youth Engagement Fund* is to support community foundation youth advisory council projects that promote youth volunteering in BC.

A couple of ideas to get the wheels turning!

- Hold a community forum to discuss how youth volunteering can be supported in your area
- Offer workshops on project planning or grantwriting for youth
- Organize a youth volunteer fair where local charities advertise their youth volunteering
 - Run a youth team challenge day – volunteering as a group for a day in your local community
 - Provide training on effective youth engagement to charities

Guidelines for Application

- To apply for this fund you must be an active Youth in Philanthropy (YIP) group affiliated with a BC Community Foundation
